The North-West's Premier Care Conference

"Personalisation, Partnership and Quality - The independent sector, taking the lead"

We've moved our annual Conference and Exhibition from its longstanding autumn slot to spring. We think everyone is in need of as much optimism we can find for the year ahead so spring seems the right time to get together! The programme for the day is nearing completion and, as ever at this point in our conference planning, we put out an advance booking form so you can book early! The full programme will follow in due course.

This is a major event in the care calendar, with local relevance and national regard. We make LCA's annual shop window event a positive and rewarding experience for delegates, exhibitors, sponsors and speakers. This event had its tenth anniversary in 2008 and it continues to be a popular, high profile, event attracting the best quality national and local speakers. Confirmed speakers include Jeff Jerome (National Director for Social Care Transformation), for conference, and for the evening Charity Gala Dinner, Barbara Pointon ("Malcolm and Barbara...Love's Farewell").
